

2025
HEALTHY
FUTURE

Imagine creating a personalized implant that changes someone's life forever. This is your chance! Join the Biomaterials Hackathon 2025 and make a real impact.

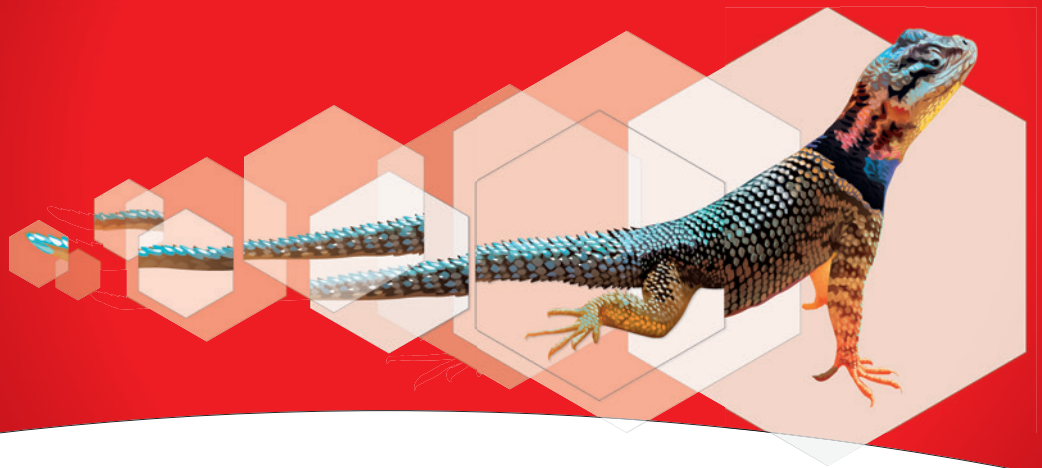

HACKATHON

BIOMATERIALS FOR REGENERATIVE MEDICINE

DATE:
FEBRUARY 21-23, 2025

COSTS:
€20 PER PARTICIPANT
(INCLUDES MEALS AND OPTIONAL
ACCOMMODATION)

LOCATION:
**BRAINPORT EINDHOVEN,
A GLOBAL HUB FOR
HIGH-TECH INNOVATION**

WHY PARTICIPATE?

Pioneer the Future: Explore the cutting-edge world of Advanced Therapy Medicinal Products (ATMPs).

48 Hours of Innovation: Dive into a dynamic hackathon inspired by Brainport Eindhoven's entrepreneurial energy.

Make a Difference: Solve real health challenges using advanced biomaterials technologies.

WHAT TO EXPECT:

Team Up & Innovate:
Collaborate with peers from diverse fields to brainstorm groundbreaking ideas.

Learn from Experts:
Get support from industry leaders and entrepreneurial PhDs.

Expand Your Network:
Meet fellow innovators and potential future partners.

Think Like an Entrepreneur:
Discover how to turn research into investable startups.

Cutting-Edge Topics:
Work on regenerative medicine, drug delivery systems, and personalized implants.

WHY IT MATTERS:

- Be part of shaping the future of healthcare.
- Gain hands-on experience in a world-class innovation ecosystem.
- Win **€5,000** to bring your proof-of-concept idea to life.

DON'T MISS OUT!

Turn your ideas into life-changing solutions.
