

GLOBAL INVESTOR FORUM

Pitch – Connect – Invest!

Connecting entrepreneurs with investors in Life Sciences!

Global Investor Forum has become the main platform in the Netherlands & Belgium where start-ups and scale-up companies can take the stage and present themselves to and connect with investors and other key players in Life Sciences & Health. Global Investor Forum prepares and enables promising start-ups and scale-ups in the field of Life Sciences, MedTech, E-health and AI to find investors and potential partners for business development and to enhance their entrepreneurial skills and insights. Join Global Investor Forum and be a part of a powerful network of leading biomed entrepreneurs, formal and informal investors, key-opinion leaders and innovation executives in Life Sciences & Health.
